NOON | SATURDAY, OCTOBER 5, 2024

HELD AT STEWART SELECT ANGUS IN GREENSBURG, IN

FEATURING BREED-LEADING GENETICS FROM THREE FAMILY-OWNED PROGRAMS!

- Proven Donors • Spring Cow/Calf Pairs • Spring Bred Heifers
- Fancy Open Heifers • Fall Cow/Calf Pairs

Welcome

Fellow Cattle Enthusiasts,

Last year at this time, we thought there was great potential for an increase in the price of cattle across all weight categories. We have seen that and maybe even more than we anticipated. If there was ever a time to have good, productive, young cows in your herd to capitalize on these prices, it is now! Those old cows you think will make it one more year to have one more calf may be best suited to be hauled to town and invest in younger genetics.

As you evaluate our catalog and find the females that fit your program, you will notice our offering is packed with quality and performance. The catalog is laid out a little different this year. We have grouped females by cow families in the front part of the catalog. All three of us have invested in embryo production to populate what we feel are our best cow family lines. You will be able to choose from the resulting progeny of some of these specific designed matings.

Two weeks before the sale, there will be a field day at Stewart Select Angus put on in conjunction with Indiana Beef Cattle Association and Indiana Beef Evaluation Program. We will have cattle on display mid afternoon and have a dinner and speakers that evening. RSVP to IBCA, IBEP or Andrew for us to have enough food for the dinner.

The cattle for all three participants are available anytime before the sale by appointment and are available the two days before the sale at Stewart Select Angus. Come Friday to pick out your favorite and hang out for light refreshments. We will serve a lunchtime meal before the sale. We can't wait for you to see the quality we have brought to this sale. See you on the 5th!

Sincerely,

Andrew, Cody, & Kevin

- Due to calve 12/01/24 to E&B WILDCAT 9402. PE to S S PROFILE L4 from 3/21/24 to 5/12/24.
- One of the most exciting bred heifers to ever sell from Stewart Select Angus is this exceptional daughter of Yon Top Cut G730, backed by two consecutive generations of Stewart donors.
- Phenotypically, she is as well designed as you will find and ultra complete in her kind - her data is impressive as she posted a low Birth Ratio of 82 along with a Weaning

- Ratio of 102, a Yearling Ratio of 103, balanced with %IMF of 122, and UREA-110.
- Her donor dam by the trusted calving ease sire, Deer Valley Patriot 3222, has produced several highlights through past Stewart Select bull sales, including a full brother to Lot 1A who sold to Evan Workman through the 2024 bull sale, and through past bull sales her maternal brothers included S S Mainstay H166 and S S Blueprint H57.
- Lucy S S E82 records BR 4@93 with WR 2@100 and excels with her ultrasound progeny record showing %IMF 9@102 and she in turn is a direct daughter of the longtime Pathfinder donor, Lucy S S B60.
- Her exceptional EPD profile compliments her design and kind quite well and there is no doubt that this is a big-time female who would fit into any program in the breed.

LUCY S S E82 - The donor dam of Lot 1A.

S S MAINSTAY H166

Maternal brothers to Lots 1A and 1B.

S S TOP CUT L66 - A full brother to Lot 1A who sold as a highlight in the spring of 2024.

S S BLUEPRINT H57

LUCY S S L109

LUCY S S L109 - This Ferguson Trailblazer daughter sells as Lot 1B.

- This maternal sister to Lots 3, 3A, 3B, and 3C is sired by the \$165,000 Trademark.
- She offers an impressive EPD profile highlighted with tremendous foot quality and high maternal traits.
- Her dam is "a no miss" kind of female who served as a long-time donor for the Sankey program and is now a member of the Lisonbee and Betts Angus programs where she continues to transmit her power and performance that is rich in their Ruth cow family.

SANKEY RUTH 336 - Lot 3D

THE DAM OF CROSSROAD!

STEWART SELECT ANGUS

EVENTRESS S S H97 - The dam of the Genex Sire, S S Crossroad. She sells as Lot 4.

- The dam of the Genex sire, S S Crossroad!
- This proven female is sired by the long-time Genex sire, S S Brickyard, and individually posted an extreme low Birth Ratio of 87 along with a Yearling Ratio of 105 and a %IMF Ratio of 118, and she continues to transmit calving ease to all of her progeny with tremendous MB as she records a progeny record of BR 3@99 with WR 3@99, YR 2@102, and %IMF 2@129.
- She is backed by the high maternal Eventress cow family and is from a dam recording BR 4@90, WR 4@102, YR 3@105, and %IMF 4@108.
- An exciting opportunity to invest in a four-year-old proven female from the Stewart program who is the dam of a popular, young sire in the Genex line program, S S Crossroad.
