NOON (EDT) | SATURDAY, OCTOBER 4, 2025

HELD AT STEWART SELECT ANGUS IN GREENSBURG, IN

FEATURING BREED-LEADING GENETICS FROM THREE FAMILY-OWNED PROGRAMS!

- Proven Donors • Spring Cow/Calf Pairs • Spring Bred Heifers
- Fancy Open Heifers • Fall Cow/Calf Pairs

Welcome

Fellow Cattle Enthusiasts,

What a year it has been to be in the cattle business. Whether you feed your calves out to finish or sell them at weaning, you have seen record prices this past year. The cow herd doesn't look like it is expanding anytime soon. If you invested in the genetics from past Crossroads Collaboration Sales, you are reaping the rewards of those purchases.

A few past purchases from prior Crossroads Collaboration Sales that have produced well for the purchasers have been Mignonne S S J139 and Sankey Ruth 934. J139 sold to Express Angus Ranch in Oklahoma and Boyd Beef Cattle in Kentucky in the 2022 edition of the sale. She was the top selling bred cow in Express's Big Event this year. The dam of the J139 cow is Lot 1 in this year's sale and a few other Mignonne family females also sell. 934 sold to Betts Angus from Utah in the 2022 edition of the sale. This cow stemming from the Linz Heritage Angus donor Ruth S S D180 and a full sister to Linz Patriot has produced many prominent progeny including the Atla Genetics sire JFCC Bobcat along with the top two open heifers in the 2024 Crossroads Sale that both went to Circle F Farms in Georgia. Look for great progeny out of those quality females in futures years at Circle F Farms. Make sure to bid on the Lot 43 Ruth female along with the Lots 5 and 6 females that are from the same Ruth cow family line.

All three consignors dug deep to find high quality females to fit almost any herd in the country. There are plenty of young females that you can invest in now to get a return for years to come. We each are offering some embryos that capture some of the best genetics you will find anywhere in the country.

The cattle for all three participants are available anytime before the sale by appointment at each consignor's farm. All the cattle will be viewable on Friday before the sale at Stewart Select Angus. We will have light refreshments all day Friday to view the cattle with you and answer any question you may have. We will serve a lunchtime meal before the sale so come early that morning to evaluate the offering then enjoy the meal before the 12 Noon EDT start. We can't wait for you to see the quality we have brought. See you on the weekend of October 4th!

Sincerely,

Andrew, Cody, & Kevin
